WE ARE WITHIN TOUCHING DISTANCE OF SECURING TIER THREE FOOTBALL NEXT SEASON AS WE CONTINUE TO BUILD. A POINT COULD BE ENOUGH, BUT OUR OPPONENTS PROBABLY WON'T BE FEELING TOO GENEROUS AS THEY CHASE PROMOTION.

Good afternoon and welcome to the Corinium Stadium for our second of three home fixtures on the bounce at the business end of the campaign.

It was absolutely fantastic to see the Lionesses pick up another trophy on Thursday, but even more so to see the 83,132 in attendance.

The Lionesses have already shown they can compete with the elite of women's football, but to see them have such a huge following can only be a positive for women's football here.

With last year's Euro final recording more than 87,000 and England's men's team getting 83,947 against Ukraine a couple of weeks ago, to see the women receive the same amount of backing will only help to develop the game at all levels as girls across the country will have bigger dreams of being sports professionals – and more chances than ever to achieve them!

We picked up a good point last week at home to Gillingham Women, and currently find ourselves in eighth in the table. We are within touching distance of securing Tier Three football next season as we continue to build. A point could be enough, but our opponents probably

won't be feeling too generous as they chase promotion.

With that, I offer a warm welcome to the players, staff, directors, and supporters of Portsmouth Women who have made the trip to Gloucestershire this afternoon. We hope you have an enjoyable time with us and a safe journey home afterwards too.

Only one home game left after this as we face Crawley Wasps next week. It would be great to have a bumper crowd for the final home game so bring a few friends along and show them what they're missing.

After that, we have a very long trip to

current tabletoppers, Ipswich Town on the final day. It'll be a tough challenge but one I'm sure we'll be more than up for.

Enjoy the game.

OUR YOUNG GROUP ARE LEARNING ON THE JOB AND FACING CHALLENGES THAT THEY HAVEN'T BEFORE, SO EACH EXPERIENCE WE COME THROUGH TOGETHER AND LEARN LESSONS FROM...

## Tom Davies

Good afternoon and welcome back to Cirencester as we host Portsmouth Women in the FA Women's National League Southern Premier division.

Last week was an important step in the right direction following results and performances that we don't want to be defined by.

We always knew this season would throw up surprises and give us things to think about and this has been the case, Not only moving into a new tier but revamping the squad with a younger and different type of player pool which we believe will aid our progression in the long term.

Our young group are learning on the job and facing challenges that they haven't before, so each experience we come through together and learn lessons from, with reflections and accountability, allows us to grow and develop.

As we're closing out the season, the right things are happening both on the pitch and during training/ reflection sessions and we will continue to work through the areas we need to, allowing us to step on next season.

I'd like to extend a warm welcome to Portsmouth, Jay,

their staff, players, and their supporters to today's fixture.

In the previous fixture a month ago, we afforded Portsmouth too much respect and allowed them to play how they wanted, causing a fair result based on our performance.

Today provides us with the opportunity to put this right, take the game to Pompeii both in and out of possession which hopefully sets the scene for a fantastic afternoon of football with two sides looking to impose themselves on the game.

As always, thank you all for your support and I have you enjoy what should be a fantastic game.

Cheltenham Town Ladies walked away with a point against Gillingham Women in their FA WNL Southern Premier clash.

Cheltenham had lost 2-1 away to Gillingham only a month previously, amid a poor run of form, so a strong performance was important in the run-in to the end of the season.

Attacking from the off, Izzy Cook came close in the third minute with an effort at the near post. The chance was saved by Gillingham 'keeper Cara Davies.

Minutes later Laura Holden struck the post directly from a corner and forced a save with her second corner moments later.

Skipper Emily Owen came close just a couple of minutes later with a shot from the edge of the box. Owen caught the chance well, but the effort flew just past the top left corner.

Still applying pressure, Cheltenham would spurn several chances, with Holden and Henna Butcher seeing the better opportunities.

The closest chance of the

first half came in added time. Owen struck the upright with a volley from a corner. As play stopped for half time, Cheltenham were unfortunate to still be level.

Cheltenham looked to continue in the dominant fashion, as Tom Davies made no changes.

Cook threatened the Gillingham net within two minutes of the restart. The striker forced a save from Davies in Gillingham's goal.

Aimee Watson was called into action in the 70th minute. After a very quiet game for the Cheltenham shot stopper, Gillingham hit the post before regaining possession and threatening Cheltenham's net again. Watson made a stunning save, tipping the Gillingham chance onto the bar and out to maintain the side's clean sheet.

With just ten minutes to go, Cheltenham came the closest they had come to scoring as Courtney Jones rattled the underside of the bar with her free kick. The chance bounced down into the box and out to safety.

The shot saw the end of a controlled performance from the home team, yet the side was unable to convert any of their abundance of chances.

Cheltenham: Watson, Jones, Finch, Owen, Ackerman (Newns 74), (Wathan 67), Buther, Holden (Congrave 74), C. Taylor, Haynes, Cook.

Gillingham: Davies, Pearch, Ashton-Jones (Espinosa 61), Priest, Maslak, Pepper, Jeffkins (Copsey 87), Keegan (Jestin 73, Flannery, Fordjour (Griffin 82), Grant

## U12 TORNADOES CELEBRATE AS DIVISION 2 WINNERS!

Cheltenham Town U12 Tornadoes concluded their 2022/2023 season with a 2-0 win against Leckhampton at Swindon Village Park.

The Tornadoes were officially named league winners on 12 March but decided to celebrate the season in style on Sunday after their win.

Winger, Charlotte Thomson, reports on her team's season:

"We started the season with 2 losses, which wasn't ideal.

"But we worked hard in training and improved quickly. We bounced back with a convincing 11-1 win against Quedgeley ad a 9-0 away win against Dursley, yet still trailed the top teams, who were winning most of their matches.

"An important match was our 3-0 home win over an in-form City of Gloucester Javelins team and then a last-minute winner from Marley away at City of Gloucester Hawks put us top of the table in November.

"Then, we had a tough away match against Lakeside which ended1-1 with Bea getting the equalizer. Snowy conditions meant a few games were postponed

over winter and we were a bit nervous in our first match back but won a tough match 3-1 away at Brockworth.

"We won every game from then on to clinch the title! The league was tough. Yet, we persevered through the losses and finally made it to the top!

"This was the first time we have won a major trophy and we are head over heels that we are going to play the top teams in Gloucestershire next season."

Congratulations to the Tornadoes and their coaches on a great season!

## Robin's Recall

A look back at Cheltenham Town Ladies through the years

### **BRISLINGTON LFC 2-1 CHELTENHAM TOWN LFC**

Thursday March 22, 2018 | 19:30 | FAWPL Division One SW

Cheltenham Town Ladies ventured south to Bristol for a local derby against Brislington Ladies and came home with a point.

With a similar starting XI to the previous fixture, Cheltenham's only change was Louise Fensome replacing Lydia Amarquaye in the centre of midfield.

The game started tentatively as Brislington looked to use the wings to their advantage.

Their first chance asked questions of Bec Panniers in the Cheltenham goal, who did well to get a strong hand to a driven shot from distance.

Cheltenham began to ease their way into the game, as Sally Butterfield was presented the chance of the half to open the scoring.

Latching onto a piercing pass from Fensome,
Butterfield couldn't convert under pressure when one-on-one with the Brislington goalkeeper.

The teams continued to exchange chances in an end-to-end affair, with Polly Wardle a particular threat for the home side.

The second half saw
Cheltenham fly out of the
gates, with Fensome,
Kayleigh Hately and Jen
Brown-Wealls all
influencing Cheltenham's
play in midfield.

Substitute Ellie Briscoe began to force the issue for Cheltenham. After Hitchcox and Butterfield had saw chances come and go, Briscoe's pressing opened up an opportunity for the visitors.

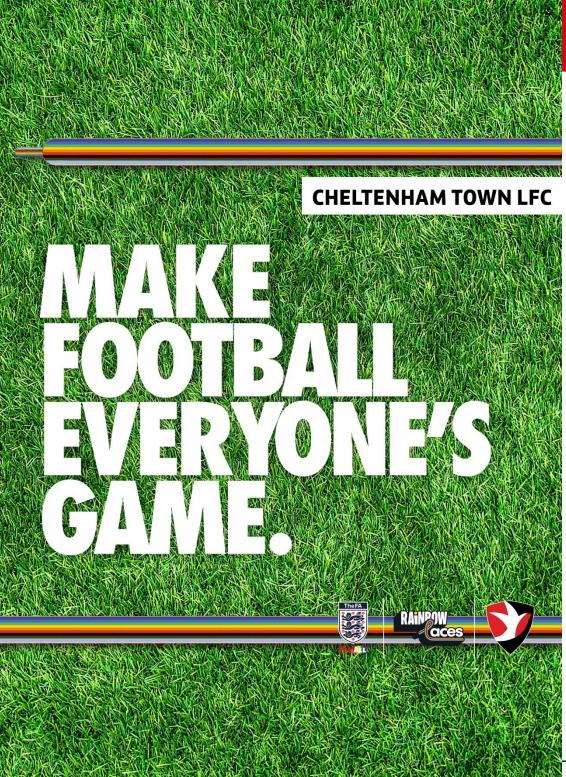

Briscoe beat her marker to a wayward pass and

used her footwork to create a shooting opportunity but the shot whistled wide of the far post.

Cheltenham's final roll of the dice saw Annabel Davies, who replaced Jen Brown-Wealls, combined well with Briscoe to set up a chance for Hitchcox but the shot sailed over the crossbar.

Cheltenham: Panniers, Dance, Morris, Purvis, Berry, Fensome, Hately, Brown-Wealls (Davies 70) Butterfield, Hitchcox (Rowlands 75), Kay (Briscoe 65).

Brislington (alphabetically): Coles, Gunter (Adams 46), Heal (Winnett 65), Jefferies, Jones Kirby (Vogt 46), Maggs, Osman, Powell, Wardle, Whelan
