• Cheltenham Town Women FC's Chairman shares his thoughts ahead of today's fixture

Welcome back to Kayte Lane and the excitement of the new season that lays ahead – our third in Tier Three!

I hope you are having a fabulous summer; I certainly enjoyed the Euros and the Olympics with the Para Olympics still to come.

It's been all change during the close season, and it won't have gone unnoticed that we are now known as Cheltenham Town Women.

With England Women, the FA Women's National League, Adobe Women's FA Cup etc., it was right that we brought the Club bang up to date. I must admit, I liked "Ladies" in the same way Wimbledon is still known as the "Gentlemen's singles tennis", but then I am 50+ and many would say – out of touch!

You'll still find information about players and fixtures etc. on our website, now at www.ctwomenfc.com.

The existing strong links with youth have now been cemented, with six age group teams formally becoming a part of the Club. Jackie still heads up Club Welfare and Safeguarding, Owen Mason steps up to lead Media and Matt has joined to drive our commercial activity.

Tom has once again strengthened his coaching and backroom staff, and has been very active on player recruitment, including the return of Lacy-Jai Liggett, a firm fan favourite from our promotion season.

A few player sponsorships remain, along with mascot, programme, match day, website and social media opportunities: all available by contacting commercial@ctwomenfc.com.

As I say in every programme, I hope you enjoy the match today, enjoy the season, and from everyone within the Club, thank you all once again for your fantastic support!

● The Robinesses Manager looks ahead to today's game...

Good afternoon and welcome back to Kayte Lane for our season opener against Plymouth Argyle.

Firstly, it's great to be back, it's been a long and tough off season, with loads of things changing and tremendous amounts of hard work going into building and sustaining our Club for the future.

Adding to our Management and Coaching staff has been key, and I'm delighted to welcome Mike Harris to the Club, knowing his knowledge and quality will have a huge impact in moving us forward.

Alongside Mike we've also recruited Dawson Rose, Jamie Lloyd-Davies, Quin Renouf-Preece, Ben Wise and Kayleigh Brown, all while retaining Meg Harding and Matt Bedford.

While you've seen First Team player changes, we've also brought together our own Youth Section, which highlights how we want to provide opportunities and encourage the next crop of players within our region and I'm delighted to welcome our Under 8s/9s/10s/11s/14s/15s to our Club.

At First Team level, last season we managed to better, ever so slightly, our finish from the previous campaign highlighting progression but also strength in what is an ever-changing world

of women's football. As clubs are falling foul with ownership and while others gain huge support and can offer more financially, we continue to build sustainably working hard to ensure that the Club is competitive now and for the future.

I'm extremely proud of what we have achieved both on and off the pitch and want to thank everyone who is currently working on our collective vision of the Football Club.

Lastly, but by no means leastly, I'd like to welcome Ryan and his staff and players, and all Plymouth supporters to today's fixture. I'd like to personally congratulate Ryan on his new position within the wider Club as they move underneath the men's Club banner.

Fixtures between our two sides have been hard fought and close affairs with Plymouth shading the recent encounters, although we're one-each in Gloucestershire, and with a huge three points at stake for the league opener, we're looking to make home advantage count today – with all of your support!

Enjoy the game,

Tom
