• Cheltenham Town Women FC's Chairman shares his thoughts ahead of today's fixture

I'm not sure how we've got to the point of our penultimate league home game, but we now have three consecutive away games in the league before Lewes at home on the 30th of March.

Going deep in the cups has meant fixtures have come thick and fast, and the 2024/25 season has disappeared at a pace - I hope you have enjoyed it!

We welcome the players, staff and fans of Watford this afternoon. Winners of the division only two seasons ago, with 17 wins from 22 league games, they showed the size of the gulf to the Championship by coming straight back down, bottom of the table and losing 17 of the 22. Currently fifth in the table, wins in their two games in hand will see them go up to third, so another very good season for them, and this afternoon promises to be a difficult, but absolutely cracking match, as we seek the points to ensure our mathematical safety for another season in Tier Three. We're looking for a reaction to the Gwalia performance, as we know we are capable of so much better.

Thoughts are already turning to next season. We're looking for support at board level, ideas, creativity and routes to finance, as well as Match Day volunteers. Do get in touch if you have something to offer, via chairman@ctwomenfc.com.

We have also discounted the price of our limited-edition bottles down

to £10 today, so get your bargain whilst there are a few still available!

Joining us today on Mascot duty, we'll have 14 Rainbows (ages 5-6) and 20 Brownies (ages 7-9) from Christ Church Cheltenham. We hope you all have a thoroughly wonderful time with us and help cheer The Robinesses on to another superb result!

Enjoy the game, and thanks for your tremendous support.

- The Robynesses Manager looks ahead to today's game...

Good afternoon all of you, and welcome again to Kayte Lane for today's visit of Watford.

I'll start this week's notes by extending a warm welcome to our visitors, their directors, staff, players and supporters. We're expecting a tough test today, but it's a challenge we're ready to embrace.

It's been a changeable week for us, with highs and lows across our recent performances. Our 3-0 win against Billericay Town was a huge result, showcasing our hard work, determination, and moments of real quality. That was followed by a professional and expected win against Pucklechurch in the County Cup, where we controlled the game well and got the job done convincingly.

However, our midweek performance against Gwalia United was disappointing. The result and overall display left a bitter taste, and we know it wasn't at the level we set for ourselves. It's important we learn from it, use that frustration in the right way, and ensure we step on from here. We've shown throughout the season what we're capable of, and now it's about responding in the right manner over the next few weeks.

Today is a great opportunity to do just that. Watford are a strong side, and we know we'll need to be at our best, but we have confidence in our ability and belief in what we're building. The squad is determined to put things right and get back to the standards we know we can reach.

Your support, as always, is a massive boost, and we'll need you behind us as we look to put in a big performance and get back on track. Let's step up, push forward, and make today count!

Enjoy the match.

Tom
